- (a) The reduction of par value of Series A Preferred Shares will result to Additional Paid-in Capital (APIC) of Thirteen Million Seven Hundred Ninety One Thousand Six Hundred Nine and 60/100 Pesos (PhP 13,791,609.60), which can be applied to offset deficit.
- (b) The reclassification and removal of Series B Preferred Shares has no effect since there are no outstanding Series B Preferred shares.
- (c) The creation of Series C and its eventual redemption and reclassification will result to removal of 0.06% foreign shareholdings in compliance with Article VII of the Amended Articles of Incorporation on Filipino ownership. As of 30 July 2022, there are approximately Three Hundred Forty Nine Thousand Nine Hundred Ninety Three (340,664) common shares owned by foreign stockholders. These shares will be the subject of conversion to Series C Preferred shares which will be redeemed eventually by the Corporation at par and through cash payment. As discussed above, this is the most efficient means for the Corporation to ensure that all of its outstanding shares shall be owned by Filipino citizens. Once redeemed, the Series C Preferred shares shall be considered retired, but will remain in the books of the Corporation. Other than to acquire foreign-owned common shares to ensure compliance with full Filipino ownership for media companies, there are no other effects on the business and operations of the Corporation.
- (d) The increase in capital stock from 5B to 7B will allow additional issuance of shares for future subscription. The increase in authorized capital stock is in line with the proposed transaction of the Corporation to issue shares (totaling One Billion Six Hundred Seventy Nine Million Nine Hundred Sixty Six Thousand Four Hundred (1,679,966,400) Common Shares] to Atty. Hermogene H. Real and Ms. Michelle F. Ayangco in exchange for Three Hundred Forty Nine Thousand Nine Hundred Ninety Three (349,993) shares of stock of shares in Golden Peregrine Holdings Inc. (GPHI). On the other hand, GPHI directly owns all of the outstanding shares of Philippine Collectively Media Corporation (PCMC), which has a congressional franchise to operate certain broadcast frequencies.

Ayangco (as "Golden Peregrine Shareholders") to One Billion Six Hundred Seventy Nine Million Nine Hundred Sixty Six Thousand Four Hundred (1,679,966,400) Common Shares to be issued out of the proposed increase in authorized capital stock in consideration of the assignment of 100% of the outstanding capital stock of Golden Peregrine Holdings, Inc. 6. Renomination of Atty. Johnny Y. Aruego, Jr. as Independent Director beyond the 9-year term limit

Other Relevant Information

For the Renomination of Atty. Johnny Y. Aruego, Jr. as Independent Director beyond the 9-year term limit

Atty. Johnny Y. Aruego, Jr. is an incumbent Independent Director of the Corporation serving his 9th consecutive term. Under Securities and Exchange Commission (SEC) Memorandum Circular (MC) No. 04 s. 2017, independent directors shall have a maximum term limit of nine (9) consecutive years, which may be extended only upon meritorious justification approved by the stockholders.

At its meeting, the Board of Directors deliberated on the renomination of Atty. Aruego as Independent Director. After further discussions on the background and qualifications of Atty. Aruego and his contributions to the Corporation, through his valuable insight and active participation in board and committee meetings and effective leadership in the Audit, Governance, Oversight and Related Party Transaction Committee, the Board approved the re-nomination of Atty. Aruego as the Corporation's Independent Director for the term 2022 to 2023, subject to stockholders' vote.

After the execution of the MOA, the Golden Peregrine Shareholders sold all of their shares in PCMC in exchange for one hundred percent (100%) of the outstanding capital stock of GPHI. As such, PCMC became a wholly-owned subsidiary of GPHI, while the Golden Peregrine Shareholders owns one hundred percent (100%) of the outstanding capital stock of GPHI. In view of the foregoing, there is a need to amend the MOA to reflect the foregoing changes to the corporate structure of PCMC in relation to the proposed acquisition of PCMC by the Corporation.

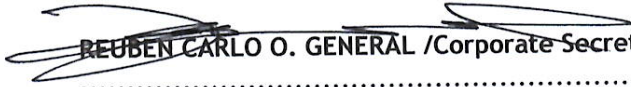

The previous disclosure is being amended to correct the estimated number of foreign-held common shares for conversion to Series C Preferred Shares.

Rationale for the amendment(s)

The foregoing proposed amendments are being taken in order for the Corporation to eliminate its remaining miniscule foreign shareholdings in compliance with Article VII of the Amended Articles of Incorporation limiting ownership to 100% Filipino (“Objective”).

All the proposed amendments (approved by the Board of Directors) will be submitted to the stockholders of the Corporation in the proposed annual stockholders meeting for the year 2022. While there are several amendments to the Articles of Incorporation of the Corporation are being submitted to the stockholders for approval, the applications with the

SEC for the proposed amendments will not be applied and submitted all at once. As the process will have to be done in succession as will be discussed below. Submitting all the proposed amendments in one (1) stockholders' meeting is the most cost and time-efficient means of achieving the Objective.

In case shareholders' approval are obtained for all the proposed amendments as discussed above, the Corporation will file the corresponding applications simultaneously to the extent possible. The Corporation expects there will be at least three (3) batches of applications to amend the Articles of Incorporation to be filed with the SEC in successive order as detailed in the above table.

The first application shall cover the reduction of the Par value of Series A Preferred Shares (as discussed above), the conversion of Series B Preferred Shares to Common shares and creation of Series C Preferred Shares. The Second Application shall cover the reclassification of series A preferred shares to common shares and the redemption of Series C Preferred Shares. While the third application is to increase the authorized capital stock of the Corporation to Seven Billion Pesos (PhP 7,000,000,000.00) and the deletion of all provisions related to the preferred shares.

Series A and Series B Preferred Shares are being converted to common share to implement the plan of the Corporation to simplify the structure of the Company by limiting it to one class of share. Note that there are still existing common shares held by foreign stockholders which the Corporation is no longer in the position to enter into a voluntary purchase to achieve full Filipino ownership. In this regard, covering them to redeemable shares is the most efficient means of achieving this purpose. This entails the creation of a new series of Preferred Shares, namely Series C Preferred Shares, solely for this purpose. It is only after the creation that the Company may proceed with conversion and redemption of shares to ensure full Filipino ownership. The Series C Preferred Shares is proposed to be created to enable the Corporation to acquire foreign-owned shares which it currently has no efficient means to undertake.

In line with the intention of simplifying the corporate structure of the Corporation, all provisions relating to preferred shares shall be deleted. This notwithstanding, there is expected to remain retired Series C Preferred Shares which shall remain in the books of the Corporation, pending filing and securing the necessary approvals and amendments to remove the same from the books of the Corporation. With the deletion of the provisions on preferred shares, the rules that will govern the treasury shares (retired Series C Preferred Shares) shall be what is provided under the law and those decided by the Board of Directors to the extent allowed by law.

The deletion of pertinent provisions relating to the Preferred Shares is in line with the cleaning-up efforts of management to remove liabilities arising out of its previous banking operations. With the removal of the preferred shares, all present and future shareholders of the Company will have equal rights and footing. Finally, the increase in capital of the Corporation is in line with the plan of the Corporation to issue shares [out of the increase in capital totaling One Billion Six Hundred Seventy Nine Million Nine Hundred Sixty Six Thousand Four Hundred (1,679,966,400) Common Shares] to Atty. Hermogene H. Real and Ms. Michelle F. Ayangco in exchange for Three Hundred Forty Nine Thousand Nine Hundred Ninety Three (349,993) shares of stock of shares in Golden Peregrine Holdings Inc.
