The resolution(s) herein authorized to be adopted by the Board of Directors shall specify with respect to a given series, the following:

- a) the number of shares to constitute such series and the distinctive designations thereof;
- b) the annual dividend rate, if any, on the shares of such series and the cumulation or non-cumulation of dividends, the date of cumulation or accrual, but dividends shall be deemed to be cumulative from date of issue unless otherwise specified in the resolution creating such series;
- c) the voting rights, if any, of shares of such series but each share of Preferred Stock shall have one vote on all corporate matters unless specified by law or by the Board of Directors with respect to the shares of any series;

- e) the amount which shares of such series shall be entitled to receive out the assets of the Corporation available for distribution to its stockholders, whether from capital or earnings, in the event of any liquidation. Dissolution or winding up of the Corporation (which shall not exceed the consideration received therefore plus accrued and unpaid dividends thereon nor be less than the par value thereof);
- f) the time(s) and price(s) of redemption, if any, of the shares of such series;

- g) the terms and conditions, if any, on which shares of such series shall be convertible into, or exchangeable for, shares of stock of any other class or classes, or other series of the same class of the Corporation;
- h) the status as to re-issuance or sale of shares of such series redeemed, purchased or otherwise re-acquired, or surrendered to the Corporation on conversion or exchange;
